FUNCTION: PROTECTION OF LIFE & PROPERTY

DEPT. / AGENCY: OFFICE OF THE CHIEF MEDICAL EXAMINER

MISSION STATEMENT:

Mandated by Title 10 of the Guam Code Annotated, Chapter 81 states the Office of the Chief Medical Examiner shall perform scientific death investigations for medicolegal purposes in order to determine a true cause and manner of all unusual, unnatural, and unexplained, or unattended deaths such as but not limited to death resulting from violence, suspected violence, accidental causes, deaths in custody, or associated with conditions that pose a hazard to the public safety or health that occur within the Territory of Guam. OCME shall document and preserve all evidence relating to each case and provide unbiased expert witness testimony in a court of law. Title 19 of the Guam Code Annotated, Chapter 13 Section 13205, mandates that OCME is to accept and investigate all child deaths when reports of child abuse or neglect are suspected. It shall assist all law enforcement agencies; work closely with the Attorney General of Guam's office, the Courts, and all other agencies involved in ensuring the protection of life, property, and health of the community.

Statutory Basis: 10 GCA, Chapter 81 "*Post-Mortem Examination Act*" and 19 GCA Chapter 13 §13205

GOALS AND OBJECTIVES:

OCME's main goals: To utilize proper investigative and methodical procedures during the performance of internal & external post-mortem human remain examinations to include toxicological and tissue specimen analysis. Provide professional and sympathetic services while practicing strict confidentiality when conducting interviews with clients. Aid in criminal prosecution and/or civil ligation cases, insurance death claims, and family consultations of a decedent. Educate the fundamentals of post-mortem examination and investigation to law enforcement agencies, attorneys, students, and the public whether by providing statistical data, post-mortem examine observation, student internship or job shadowing, presentations, lectures, and/or consultations. Provide reliable unbiased death investigations for the benefit of the entire community of Guam. In addition, provide private consultations to promote and improve healthy lifestyle awareness amongst the families of those individuals dying from various illnesses from communicable and non-communicable diseases.

Decision Package**FY 2022****Department/Agency:** Office of the Chief Medical Examiner**Division/Section:****N/A****Program Title:** **ADMINISTRATION****Activity Description:**

***Title 10 Division 4 Chapter 81** of the Guam Code Annotated established the **Post-Mortem Examination Act** creating the Commission on Post-Mortem Examinations. The Office of the Chief Medical Examiner (OCME) is operated under the control and supervision of the Commission and directed by a Chief Medical Examiner.

***Title 10 Division 4 Chapter 81** mandates OCME to provide a scientific human death investigation system under the direction of a forensic pathologist. Medicolegal death investigations conducted shall be in the form of an autopsy or non-autopsy examination to include in some cases toxicology and/or specimen analysis on deaths resulting from a natural and/or unusual & unnatural manner, homicide, accident, suicide, sudden unexpected death occurring in a suspicious manner or caused by an unrecognizable disease, occurring during incarceration, and the death of a child resulting from or suspected of abuse or neglect; given a report has been filed (*Title 19 Ch. 13 §13205*).

Major Objective(s):

To provide a scientific medicolegal death investigation in an appropriate timeframe that will produce a true cause and manner of death for every case which fall under the OCME's jurisdiction so it may aid in criminal prosecution cases, civil litigation cases, insurance claims, etc. To continue educating the principles of medicolegal death investigations and health & public safety to law enforcement agencies, attorneys, jurors, college, middle, & high school students, and the public as a whole. In addition, continue to provide private consultations to promote health awareness, risks, & preventions amongst the families of those individuals dying from various causes including non-communicable & communicable diseases so to better educate the community. Accomplish agency's mission & sustainability within the financial budget appropriated during any given year.

Short-term Goals:

To employ a full-time Chief Medical Examiner as well as acquire additional funding to increase the agency's staff with up to three (03) additional full time employees such as but not limited to an administrative staff and two morgue services personnel; a mortician and forensic investigator. This will assist in the increasing amount of workload per staff and meet the continuous increasing demands of the public, other government entities, and governing laws and administrative obligations. Contract a Forensic Laboratory to properly analyze toxicology requests of postmortem examinations.
